Logistics

Loading Dock

The loading and unloading for the MF zaal can be done for small matters via the artist entrance. For larger or heavier pieces, the décor lift can be used.

Entrance loading dock:
Mozartstraat 6
6461 DR Kerkrade

Artist entrance:
Theaterplein
Kerkrade

Access to MF zaal

For passing through decor from set to stage, there is 1 door after the set lift leading to stage on the left. There are several entrance doors on the left side of the venue.

Measurements doors	Width	1.8m
	Height	2.7m

Goods lift

A leveler (with flap) can stop the lift at the height of the truck's floor to enable loading and unloading at ground level. All goods must be taken to the stage with this elevator.

Measurements goods lift

Length	7,8	meters
Width	2,5	meters
Height	2,6	meters
Max. weight	4,2	ton

Elevator door dimensions

Width	2,6	meters
Height	3,0	meters

Parking spots

Theater Kerkrade does not have its own parking space for passenger cars.

Stage

The MF zaal is a multifunctional flat floor room.

Stagefloor

The small hall has a PVC floor.

The space is 8 meters wide and 13.5 meters deep (108m²)

Rigging

There is no rigging installation in the MF zaal. However, there are trusses distributed above the hall where light and sound can be hung.

6 x Truss	Maximum load	200 kg
	Pointload	75 kg
	Length	6 m
	Fixed height:	±3,7 m

Electricity

General

32A CEE-form (5 polig)	2 x total	Against backwall
16A Schuko	Various connections both left and right	

Facilities

Changing rooms

The changing rooms of the MF zaal are shared with the Grote Zaal. Each dressing room is equipped with at least one sink and all changing rooms are equipped with screens with image & sound of the hall and regular TV reception. There is a call system in all changing rooms.

Laundry facilities

Washing machine, dryer, iron & ironing board.

CAUTION! These facilities are shared with all other rooms.

Toilets

The toilets are centrally located in the dressing room corridor on the 1st and 2nd floors.
